CRIME PREVENTION

At this time of year, it is not uncommon for us to observe seasonal increases in reports of thefts from sheds/garages and other outbuildings. Please take the time to ensure that such buildings are well secured. Consider fitting a shed alarm, or more advanced security measures if higher value items are stored within.

Please report any suspicious persons or activity via 101, or in an emergency, by dialling 999.

NEWS

You will hopefully recall the “Your View Counts” survey that was launched in 2016 by Police Scotland. The first year results of this survey were published previously and are being used to inform the local policing plan for East Renfrewshire and East Renfrewshire Council’s Local Improvement Plan.

The published results for 2016-17 can be found here

This survey was opened again in August 2017, and we would ask Community Councils to encourage all local residents in their respective areas to access and complete the survey. This applies to people who have completed the survey previously, or for the first time.
