

**EAST RENFREWSHIRE COUNCIL****3 MARCH 2022****Report by Director of Business Operations and Partnerships****SCHEME OF DELEGATED FUNCTIONS****PURPOSE OF REPORT**

1. To present to the Council an amended Scheme of Delegated Functions that has been prepared in the light of the creation of the Business Operations and Partnerships Department. The amended Scheme also contains a number of proposed additional delegated powers across Council departments to increase resilience within services for which approval is sought.

**RECOMMENDATION**

2. That the Council:-
- (a) note the alterations that have been made to the Scheme of Delegated Functions to reflect the changes to departmental structures and designations and which have been approved under existing delegated powers; and
  - (b) agree that delegated powers be granted in respect of those new matters as outlined at Paragraph 9.

**REPORT**

3. In terms of Section 56(1) of the Local Government (Scotland) Act 1973, a local authority may arrange for the discharge of any of their functions by an officer of the authority. The Council has agreed that certain powers be delegated to officers, and for that purpose, a Scheme of Delegated Functions has been drawn up and approved.

4. Following the retirement of the former Deputy Chief Executive and the appointment of her successor along with the change in the name of the department from the Corporate and Community Services Department to the Business Operations and Partnerships Department, the current Scheme of Delegated Functions has been reviewed.

5. The Scheme of Delegated Functions contains provision that empowers the Deputy Chief Executive and Democratic Services Manager to vary the Scheme in 3 particular cases, these being:-

- To reflect changes to job titles and any reorganisations that take place;
- To change references to any pieces of legislation where the legislation is repealed and to insert references to new pieces of legislation where the new legislation largely re-enacts the provisions of the repealed legislation; and
- To remove a delegated power previously granted that is no longer required.

6. The majority of changes to the Scheme relate to the departmental changes referred to in Paragraph 4 above and have been made in accordance with existing delegated powers.

8. However, there are a number of changes, primarily relating to the extension of a previously approved delegated power, where approval is sought in order to increase resilience within services where the delegated power is currently exercised by either a single officer or a relatively small number of officers. A number of other wording changes have also been made to a number of paragraphs for clarification.

9. The table below provides a commentary of the remaining changes that have been made and whether or not approval is required, whilst the revised Scheme is attached as Appendix 1.
