22 June 2022

Report by Chief Officer

MATTERS ARISING

PURPOSE OF REPORT

1. To provide the Integration Joint Board with an update on progress regarding matters arising from the discussion that took place at the last IJB meeting.

RECOMMENDATION

2. Integration Joint Board members are asked to note the contents of the report.

REPORT

HSCP Strategic Plan

3. We have produced an interactive easy read version of the HSCP Strategic Plan which is predominately video led and explains each of our priorities and how we will address them. This version will be presented to the Strategic Planning Group on 9th June and after which will be available live on the website. A communications plan will be developed to support this.

Age of Criminal Responsibility (Scotland) Act – Place of Safety

4. We are exploring accommodation options with the Council's Corporate Landlord to identify suitable premises as a named place of safety. In the meantime we have access to a child friendly space adapted within Pollok Police Station should we require it in circumstances where we are unable to use family and extended family as a place of safety which would be our first choice.

Inspection of Children's Services

5. The inspection remains ongoing however case file reading is now complete. Initial feedback on emerging themes from the case file reading and staff survey was positive. The Position Statement is being prepared for submission on 8 June 2022 and preparation for the interviews and focus groups for week beginning 20 June 2022 is underway.

6. The Care Inspectorate will provide their draft report on 13 July 2022 and it will be officially published week beginning 15 August 2022.

RECOMMENDATIONS

7. Integration Joint Board members are asked to note the contents of the report.
