1. Representatives from Printersland

Residents described issues they were experiencing with ongoing building works at 29 EK Road – which have no permission or building warrant. The residents are having many issues including parking in their private designated spaces and deliveries are causing inconvenience and frustration. Councillors have agreed to speak to the police and find out about building warrants, residents urged to force H&P into action as car park is on private land. Councillors will update at next meeting and residents welcomed to return.
